Rescue Squad Day Termed 'Success'

Capt. Kenneth Hamerson has summed up Rescue Squad Day as a 'Complete success.' Jamerson said that approximately $1,124 was raised in the day-long event Saturday with more than $500 realized from the auction. Expenses, he said, would cut the total somewhat, but noted that a 'good start' has been made toward the Squad's goal of $5,000 for a building to house vehicles and equipment. He reported that when he asked the Saturday night crowd downtown if they would like another 'Squad Day' next year, he received an enthusiastic 'Yes!' Prizes for the best dancers were awarded Saturday evening, and Squad member Leslie Tyree turned out to be 'Bigess, baby' with David, 'Monk', Carter as the 'Mama'. The ballet dancers were another highlight of the evening activities.

Church Founder Nearing 96 Yrs.

Richard (Dick) Walker Smith, of Spout Spring, will be 96 years old before the end of 1963, and for him the 50th anniversary of Spout Spring Baptist Church has a very special meaning. 'I helped to start the church,' he said during a recent interview.

A native of this county, Mr. Smith has resided on his 210 acre farm since 1896. A daughter, Miss Frances Smith, who lives with him has been assisting with many of the plans for the 50th anniversary Sunday, August 25.

Mr. Smith is particularly happy about the coming together of many Spout Spring church members and friends.

A grandson of his, Davis LeGrande Smith, of Lynchburg, was a recent state winner in the Royal Ambassadors' speaking contest. At the National Speaking Contest during the R. A. Congress, August 13-15, Davis placed third. He is he son of Mr. and Mrs. D. L. Smith, 221 Langhorne Lane, Lynchburg.

An ardent lover of rural life, Mr. Smith likes to reminisce of years gone by. Family gatherings often include his sons, and their families Davis LeGrande Smith and Richard Walker Smith, both of Lynchburg, and Jack Davis, a nephew, who was reared in the Smith home, plus two sisters, Misses Emma and Lucy Smith, all of Appomattox.

Rescue Squad Plans Canvass Door-To-Door On Tuesday

First Run Completed

The first run has been completed with Appomattox' new Truxmore Pakker, a hydraulically operated trash collector. Town workers and C. J. Hunter, town manager pictured above, all seemed enthusiastic about the new vehicle. Total cost will run about $7500, Hunter said, with the new truck going into full service on Thursday. Joe McFadden, Harold Nash and Town Manager Hunter are shown in front with Charlie Mayberry and Edward, "Jack" Mayberry on the loading steps behind them.

Will March Tues. 7 P.M.

Rescue Squad members and others interested in their current drive for funds will be turning out Tuesday night for a house to house canvass of the town of Appomattox.

"Please turn on your porch light," said Leslie Tyree, Squad record lieutenant. "And if you have already given a contribution, just let us know when we come to your door." Tyree said that there was no convenient way for canvassers to carry a check list of previous contributions to the month-long project.

Rescue Squad members and other canvassers are asked to meet at the Appomattox Garment Factory in time for the drive to begin at 7 p.m.

$5,000 Goal

The Squad, under the general leadership of Captain Kenneth Jamerson, of Spout Spring, has named Bill Sperry to head the door-to-door drive. A goal of $5,000 has been set in order to start a building program. More than $1,000 was raised in Saturday's Rescue Squad Day program.

The county rescue squad was organized in January 1962. At the present time it is operating two pieces of mobile equipment: a 1962 model panel truck which is used mostly for automobile accidents, and a 1963 station wagon furnished by Moses Motor Co., of Appomattox, which, according to Captain Jamerson, is used when a smooth ride is necessary for the safety of the patient.

There are 23 active members in the squad, including two women. Officers of the organization are Jamerson, captain; John Oxford, first lieutenant; Gordon Staples and Osborne, second lieutenants; Sgt. James Rogers; Bobby Phelps, secretary; and Carroll Layne, treasurer.

Jamerson said recently that since the squad's organization in 1962, approximately 400 persons have received emergency treatment from squad members.

County Native Given New Post

Dr. Mervyn W. Williamson, a native of Appomattox and son of Mr. and Mrs. W. L. Williamson, Rt. 4, Appomattox, has been named coordinator for the Liberal Arts Study of the North Central Association of Colleges and Secondary Schools.

Williamson, professor of English and philosophy and chairman of the Division of Humanities of Culver - Stockton College, will spend a day on the campus of seven mid - western colleges, consulting with faculties and administrations on studies they are carrying on in connection with the Liberal Arts study.

The North Central Association is the principal accrediting agency in the Mid-West and the Liberal Arts Study is a part of its commission on research and service.

Dr. Fred Helsabeck, president of Culver-Stockton, and former mayor of Lynchburg, praised Williamson's selection.

"During the past six years, Culver-Stockton College has participated in this important voluntary program of self-study and mutual assistance and has been closely associated with its program and plans," Helsabeck said.

"Dr. Williamson's participation in two of the summer workshops sponsored by this group, together with his leadership of our college committee on study and evaluation, gives him a good background experience for his new assignment," Helsabeck added.

He said that Williamson **would be freed from his campus responsibilities to allow him to carry out his new duties.**

Accident Call Interrupts Squad Day

Rescue Squad members, busily looking after concessions Saturday afternoon found that even the best - planned Rescue Squad day has its interruptions for accident duty. Three men were called out, about 4 p.m. for a traffic accident involving a two-truck collision on Virginia 608 two miles west of Concord.

Admitted to Lynchburg General Hospital were William Joseph Dixon, 32, Rt. 3, Lynchburg, who suffered a lacerated forehead and possible chest injuries, and his five-year-old son, William Lee Dixon who received general abrasions and head injuries. Both injured persons were passed by John Christian Kress, 32, also of Rt. 3.

State Trooper E. L. Jones of Pamplin, who investigated, said Kress was traveling west on 608 when he met a truck driven by Neil Jenice Patterson, 20-year-old Roanoke Negro, on a curve. Investigation revealed the Patterson vehicle was on the wrong side of the road.

The trucks met in a near head on collision, and both were regarded by Jones as total losses.

Patterson, who was uninjured, was charged with reckless driving.

Frank McCann Calls For State Sales Tax

Frank M. McCann of Lynchburg, a native of Appomattox, and chairman of the 6th District Republican campaign committee called on Virginia Republicans Saturday to support a statewide sales tax which would leave all money collected in the localities.

"This would equalize the tax and keep cities which can put on a local sales tax now from being an island of taxation. Cities are reluctant to put on a local sales tax for fear of driving business into a surrounding county," he said.

McCann's remarks came at a workshop session at the Hotel Roanoke of the 6th District GOP Committee.
